## POSITIVELY

Copy for "changes" in advertisements MUST be sent in before 2 o'clock on the previous day.

If you have an item of news, please call up The Ledger, Telephone 33, and let us have it.

Hear Dr. Parrish on "My Trip to the Holy Land."

Today is the last day for payment of April gas bills.

Work has begun on the new Amusement Hall at the Streetcar Park.

Mrs. Emma McCabe has moved from Bank street to 509 East Third.

Mr. Louis Schatzmann was not so well yesterday, having picked up a cold.

Hear the only Kentucky Negro who ever had audience with Pope Pius X. and received his blessing.

Mr. George T. Johnson, who had been in St. Louis for some time, having resumed his former position with the Streetcar Company, is moving into his residence, 115 Main street.

That the Government Building now being erected in this city will be amply large to fill all the requirements of Maysville for years to come, it is only necessary to state that, in comparison with a similar building in Newport, the structure here is 53x93, while the one in Newport is 42x90, and that, too, with a population of 25,000, while this city claims less than 8,000.

An elegant line of goods from which to select bridal presents. Cut Glass, Sterling Silver Bonbon and Berry Dishes, Spoons, Forks of all kinds, Creams and Sugars, Salad and Berry sets, Oyster, Salad and Berry Forks, Sugar, Jelly, Berry and Preserve Icecream Spoons, Asparagus forks, Chafing Dishes. French Coffee boilers. Call and see our line.

P. J. MURPHY, the Jeweler.

Hattie Randolph and Walter Lee, colored, were sweethearts. Hattie tired of Walter's attention and transferred her affection to another colored swain, which caused him much mental anguish. The other evening he met his erstwhile lady love in East Third street and immediately began beating her up. The Randolph woman had him arrested and his trial is set for 2 o'clock this afternoon in Judge Whitaker's Court.

Elsewhere in this impression of THE LEDGER is the formal announcement of Mr. Harry A. Ort, who is a candidate for Chief of Police at the November election. Mr. Ort, though a young man, is thoroughly acquainted with the work of this department of city government, having been an efficient member of the Police force for several terms. He knows how, when and where to get in some neat detective work, and would no doubt make a very capable Chief.

MR. EDWARD ARTHUR.

Mr. Edward Arthur died this morning at 1 o'clock at his home in Aberdeen, aged about 65, after a long period of general debility.

He leaves a wife, nee Mary Ellen Small, and one brother living in Ironton, O.

The funeral arrangements have not been completed.

## THOMAS KERR RICKETTS, JR.

After an illness dating back 10 years, caused by an attack of the grip, Thomas Kerr Ricketts, Jr., passed away at his home in Sutton street last night at 10:30 o'clock.

He was born in this city September 12th, 1844, his parents being Mr. Thomas K. Ricketts, now in his 96th year, and Mrs. Violet Perry Poyntz Ricketts, long since departed.

Early in life he worked at the harness trade with his father. Leaving that he accepted a position with R. Albert in the Jewelry and Queensware business and remained with Mr. Albert until he sold out.

For years he had been connected with the banking house of Mitchell, Finch & Co., first as Bookkeeper, then as Cashier and at the time of his death Vice-President of the Bank.

He leaves an aged father and two sisters—Misses Anna P. and Elizabeth Ricketts, to mourn his loss.

He was a respectful and obedient son, a loving and considerate brother, and a citizen universally esteemed by the community.

The funeral will take place from his late home tomorrow afternoon at 3 o'clock, with services by the Rev. Dr. C. F. Evans of the First M. E. Church, South.

Interment in the Maysville Cemetery.

Hear Dr. C. H. Parrish at the Court-house Friday evening at 8 o'clock.

Mr. and Mrs. Elmer Bridges will take up their residence in their recent purchase in West Third street next week.

The venerable William Sproemberg of Commerce street was able to be down stairs yesterday for the first time in four weeks.

Mrs. Walter Smith is seriously ill at her home in East Second street with pneumonia. She is having the attention of a trained nurse.

Mr. John L. Chamberlain has moved his law office from Third street to the commodious rooms in Court street recently occupied by Judge L. W. Robertson.

The American Tobacco Works in the East End were compelled to shut down yesterday afternoon on account of the breakage of a force pump. The Works started up all right this morning.

Wendell, the bright little son of Rev. and Mrs. M. A. Banker of West Second street, is seriously ill with appendicitis. It is thought a surgical operation will have to be performed on the little sufferer.

The body of Ralph Blake, drowned in Licking river near Claysville, Harrison county, about twelve days ago was found yesterday about one and a half miles below where he fell off a raft. His remains were interred at Myer's Station.

At Lexington yesterday on account of the absence of state witnesses, the case against the Hargises and Callahan was again postponed till tomorrow. The persistence with which the state's witnesses remain away from Court led the Attorneys to engage in a tilt to the effect that Breathitt county methods were being indulged in to keep important witnesses from the trial.

## PAID THE BILL

American Book Company Settles the Judgment of Mason County

The American Book Company has paid to Mason county the amount of the judgment rendered against it for violating its contracts by selling schoolbooks cheaper elsewhere than in this county, \$10,000 and costs, \$11,888.11 in all; but as the Attorneys who won the suit get one-half, there won't be over a dozen new schoolhouses built with what's left.

It was a "long shot" for the lawyers who undertook the case, and the outcome reflects great credit on their skill.

They fairly "scoured the country" for evidence, and THE LEDGER believes they earned their money.

The lucky fellows were Judge Charles D. Newell, County Attorney Frank P. O'Donnell, Hon. E. L. Worthington and Mr. C. Burgess Taylor.

## RAILROAD THIEVES

Clever Catch in this City Yesterday by the Local Officers

THE LEDGER some two weeks ago contained an item in regard to the robbing of C. and O. freight cars at points between this city and Greenup, and stated at the time that it was generally believed by the railroad officials that this city was the headquarters of the thieves.

Suspected parties here have been under espionage of officers for some time, and yesterday under the direction of Chief Donovan Policeman Ryan ran down and captured James and Kirby Route and John Bradford of this city. The trio were put through a sweat box process and acknowledged that they did the job, and for sometime have been operating on the Ohio River and Lexington Division of the C. and O.

They disposed of 300 pounds of brass to Middleman, the front street junkman, and the rest of the ill-gotten stuff that they did not use themselves was sold elsewhere.

The catch is a good one and will envelope others who have either participated in the stealing or benefited by it.

Chief Donovan and Detective Bingham left with their prisoners for Catlettsburg yesterday afternoon.

The officers have a dead sure case against the men and that they will be convicted is almost an assured fact.

Officer Ryan is to be commended for the manner in which he landed the gang.

And right here it is not out of place to remark that the person who transacts business by buying large quantities of valuable stuff from men who are not above suspicion is not altogether free of wrong doing himself.

Yesterday the members of the Fiscal Court, county and city officials, the Press Gang and a few special guests sat down to a most sumptuous dinner at the County Infirmary. What Superintendent Howard Rosser and his excellent wife had provided was a plenty; and what the guests did to the menu was alike creditable to their appetites and the surroundings. Aside from the dinner, the visitors expressed pleasure at the excellent condition of the buildings and grounds, cleanliness and good order being in evidence on all sides.

## A New Store Every Day

That's what our store looks like these busy days—in today and out tomorrow. The greatest line of Spring Goods ever gathered under one roof in Maysville. Everything is beautiful; everything is marked cheap.

### White Counterpanes.

Direct from the factory. 100 at \$1 each. Compare same with any you know of at \$1.25. We are sure ours is best. A hundred good housekeepers will be the first to get them, we are sure.

### Silk Kimonos, Dressing Sacks

Short or long. Something new for Maysville. Probably too new for some of the old people, but "we boys" know the good things when we see them. \$4.50 to \$20 each.

### Skirts.

The best line ever, and that means a good bit here. The skirt business is our hobby. We would like to talk skirt every day in the year, but some of our other departments might get jealous, so we will simply say Skirts \$3.50 to \$15, including some new silks and nets.

### Millinery Department.

The new saloon jumped into popularity the very first day. The finest line of Trimmed and Ready-to-Wear Hats we have ever shown. 39c and up, and not too much up, either. With five fine millinery stores besides ours it would be a shame if a hat was bought outside of Maysville.

Children's Hats a specialty.

### Carpets, Rugs and Mattings

We sell enough a day to stock the ordinary store in Maysville. The largest auction sale in the world brought us our Rugs and Carpets.

Direct importation from Japan brought us our Mattings. Tell us where you can beat this combination.

KINGS OF LOW PRICES. MERZ BROS. PROPS. BEE HIVE.

## Country-Made Maple Syrup.

This is Pure Maple and is very fine. Only a few gallons. Barle du C. Currants and Crystallized Ginger. We sell the best Orange Marmalade on the market. When you want anything in Fancy Groceries send us your order.

If I was Police Judge;—but, then, I'm not.

THE Socialist-Democrats elected their Mayor in Chicago. St. Louis went Republican, and Aunt CARRIE NATION is in Jail at Wichita, Kansas. What else do you want in a bowl of soup?

IF JOHN D. ROCKEFELLER chooses to throw away \$100,000 for the Foreign Mission "Fad," I don't think any one has a right to kick. It's his money—and "a fool and his money," &c. But just think of the people of Breathitt county sending Missionaries to Japan!

IMMIGRATION to this country through the port of New York for March reached unprecedented figures, the total arrivals numbering 97,000. A year ago the arrivals were only 47,877. When the character of the comers is considered, the matter is worth thinking about.

A SOCIALIST is chronically a being hard to please. Judging from their recent statements, says The Times-Star, the Socialists of Chicago will be satisfied with nothing less than an even division of property every Saturday night—with probably an extra division on Wednesdays, in order that the idlers and drunkards who have squandered their portion in the meantime may not be left unsupported by the provident and hard-working, and the great principle of equal reward for work and idleness, efficiency and inefficiency, be thus put into disrepute.

It might not be altogether bad if the Lot Owners in the Cemetery had a word to say as to its management. I don't believe in perpetual control invested in half a dozen persons, some of whom might not have a direct interest. Think it over.

THE need of "rapid transit" between this city and Flemingsburg was strikingly illustrated a few days ago. A couple applied for marriage license here, which was refused, the young lady being only 18 years old. They at once started for Flemingsburg, and when they reached that pretty village the bride-to-be was 21.

THE Cabinet members on these warm spring days are much given to story-telling during the Cabinet meetings. At a recent session Secretary SHAW, who is considered one of the best raconteurs in the President's official family, pulled out a clipping from a Dakota newspaper, and when the Cabinet was talking about international troubles, he said he would like to show, by reading the clipping, what real trouble was of some of the Editors in the West. The story he read was about as follows:

"One of our correspondents sends us the following piece of news: 'Mrs. MARY JONES, the wife of one of our leading citizens, kneads her bread with her gloves on.' The Editor would like to remark that he also needs his bread with his shoes on, and likewise with his shirt and pants on, but if some of the blasted subscribers to this old Rag of Freedom do not pay up their subscriptions, he will need his bread without a damned stitch on, and a North Dakota winter is no Garden of Eden at this time of the year."

It is needless to say that this closed the meeting.

RATHER THROW IT AWAY!

Cincinnati Commercial Tribune.

If—mark you, merely "if"—Mr. Rockefeller were to donate \$100,000 for the starving families of Manchuria or for the suffering families of the men who died on the field of battle, would there be taint on the bread bought with the money? Of course, it is merely an abstract question, for Mr. Rockefeller isn't a donor in the way suggested.

President Roosevelt, in obedience to an act of Congress approved March 3d, has issued a proclamation inviting the Nations of the earth to join in a naval, marine and military celebration in Hampton Roads of the founding of Jamestown, Va., the first permanent settlement of English-speaking people in America. The celebration will be held between May 13th and November 1st, 1907.

About Rheumatism.

There are few diseases that inflict more torture than rheumatism, and there is probably no disease for which such a varied and useless lot of remedies have been suggested. To say that it can be cured is, therefore, a bold statement to make, but Chamberlain's Pain Balm, which enjoys an extensive sale, has met with great success in the treatment of this disease. One application of Pain Balm will relieve the pain, and hundreds of sufferers have testified to permanent cures by its use. Why suffer when Pain Balm affords such quick relief and costs but a trifle? For sale by all Druggists.

## "LITTLE MISS APRIL"

One of the Charming Poems By Mrs. Lulu Clark Markham

The following poem by Mrs. Lulu Clark Markham of West Third street, this city, appeared in one of the popular magazines this month—

LITTLE MISS APRIL.  
Little Miss April trips over the hills  
Bearing rare gifts in her hands;  
Dancing blithely along over meadows and rills,  
Pausing to list to the birds' happy trills.  
With her pink ear uplifted, she carelessly spills  
Her treasures around as she stands.

The covetous woodland ways hasten to seize  
The anemones' dainty white urns  
And delicate violet-lagons; the leas  
Her emerald grasses; the gaunt orchard trees  
The exquisite pink of her rich 'broderies'—  
The rock-clefs her filigree ferns.

When the heedless, undutiful, fair little maid  
Turns to take up her journey again,  
What dismay in her round, rueful face is portrayed  
As her sunshiny smiles and her coy dimples fade,  
For of old Mother Nature she's sadly afraid  
And she weeps in tear-torrents of rain.

# THIS STORE Is Granted the Honor of Having Launched the Correct Modes for Spring, 1905.

The occasional brilliant flashes round about us only emphasize the fact that this is Maysville's Foremost Store. Its position at the head of the line is firmly established, and its advancement is constant.

We are not infrequently spoken of as being conservative—a good old word, which means, as applied to this store, exact business methods; plain statement of truth, both as buyer and seller; courteous, prompt and intelligent service; avoiding sensationalism; making show only of Millinery. And is there not education and entertainment in such goods?

Maysville's Foremost Store in this month of April is greater and better and busier than ever before.
